Daniel Silvando Blade

PROFESSIONAL SUMMARY

Tech-Savvy software engineer transitioning to new opportunities. Passionate about leveraging IT solutions to enhance business services, I bring a robust background in software engineering with a keen interest in exploring new avenues. I have a proven ability to foster team collaboration and deliver innovative IT solutions. My experience spans across various roles, from quality assurance and software engineering to tutoring and assisting in educational settings. I am eager to leverage my technical expertise and enthusiasm in a dynamic and forward-thinking environment.
